Hi Andrea, here you go.. please let me know you received it.

Warmly, Bev

President's Report - Southwest Florida Chapter 297 Inc

Good Morning Ladies,

Greetings from Chapter297. We have gradually gotten back in the swing of things after challenges with COVID. We are eager to continue rebuilding from the solid foundation that NAWIC has stood for since inception of the Charter in 1982.

We have increased Membership from 8 to 34. We have gone back to "In Person" meetings very successfully following COVID protocol. We teamed up with CCIM virtually, before we started in person meetings again and we offer a variety of Speakers and projects throughout the year. Our meeting attendance has been great due to top notch Speakers and Sponsors, we gain new members at every meeting and are educating the local Women on NAWIC.

Ladies,

I am really needing your reports by tomorrow. We will be sending the program book to the printers Monday. It doesn't have to be that long. Just give ideas of what you have going this coming year and other items like that. I also need a picture as well.

Thanks,

Andrea N. Ward, CBT
