

SITE SISTER KIT

BUILT BY WOMEN. FOR WOMEN.

WHAT IS A SITE SISTER KIT?

A Site Sister Kit is a small supply kit placed inside portable restrooms on construction sites to support women in the field. Most job sites weren't designed for women. When essentials aren't available and leaving isn't possible, this kit makes sure women aren't left figuring it out alone.

WHAT'S TYPICALLY INSIDE:

- Panty Liners
- Wipes
- Tissue Paper (Emergency Toilet Paper)
- Seat Covers
- Hair Ties
- Hand Sanitizer
- Bobby Pins
- Other Essentials

HOW IT WORKS

- One Kit Per Restroom on Site
Placed in trailers or restrooms
- Take What You Need
Restock when you can.
- Built to Scale
Request & distribute locally.
