We celebrated **WIC Week 2026** with the following event(s) and/or activity(ies).

Please be as detailed as possible when completing this form. Include pictures, graphics or flyers of any events to help us "see" what you did. This is the form used for judging regional and national awards.

Select the award category that you think best fits your event. Use additional sheets as needed.

One award per category will be given to a chapter with 30 or fewer members, and one to a chapter with 31 or more members. Awards will be handed out at National Conference in Reno, NV. Additional prizes will be drawn from all submissions received.

Award Categories

- **Amplify** the contributions and achievements of women in construction and construction related fields by thinking outside of the box to promote and appreciate women in construction.
- **Educate** the public and industry peers about the opportunities available to women in the industry by connecting
- **Inspire** the next generation of builders, engineers, and tradespeople by getting hands on with a construction relate activity.
- **Marketing** WIC Week by going above and beyond social media to spread the message of WIC Week and NAWIC.
